PROFILE

A creative individual seeking opportunities in new and exciting industries, who thrives in a social and dynamic environment. In recent years, I have specialized in industrial production, but I am now looking for something that can nurture my creative side within front-end development.

WORK EXPERIENCE

Frontend-Developer

Wasabiweb - Uppsala (internship) | Jan 2026 – Current job

- Gaining experience in Wordpress and PHP
- Developing a UI for catering companies web applications
- Working with customer support alongside other developers

Frontend-Developer

Strictly Post Production - Remote Stockholm (internship) | Sep 2025 – Nov 2025

- Participated in the development of a new web application aimed at automating media management in post-production.
- Worked with frontend development in React, focusing on UI/UX, system integration, and media technology.
- Collaborated in an agile environment with daily standups and continuous feedback.

Machine/systemoperator

Witron - Bålsta | Sep 2023 – Aug 2024

- Worked during an intense ramp-up period that tested and developed my technical skills.
- Gained valuable experience in industrial production within a dynamic environment featuring the latest technology.

Processoperator

Gyproc - Bålsta | Maj 2017 – Sep 2023

- Sweden's leading producer of plasterboards.
- Worked proactively to prevent production issues.
- Developed resilience in a high-stress work environment.

Postman

Postnord - Bålsta | Jan 2017 – May 2017

- An independent role that required great attention to detail.

Bartender / Waiter

Aronsborg conference hotel - Bålsta | Jan 2015 – May 2015

- Expanded skills in customer service and social competence.
- Worked in teams around major events such as weddings, cooking classes, and conferences.

Chef / Bartender

Gamla Televerket B&B Food&wine - Borgholm | Apr 2014– Sep 2014, May 2015 - Aug 2015 (seasonal employment)

- A classic gastronomic experience featuring dishes from all over Europe, with a special focus on French cuisine.
- Gained experience working at a high pace with precision, teamwork, and time management.
